FROM THE CO-PRINCIPALS

In 2013 Collingwood was the best performing 6th form in Surrey Heath! We equalled our personal best with 60% of all grades awarded an A*-B grade. Our percentage of A*/A grades increased to 27% and 60% of all entries resulted in a grade A*-B. The overall pass rate was almost 100% with just one A level entry ungraded. These excellent results helped almost 100 students to progress into higher and further education with the majority gaining automatic access to one of their chosen universities.

At GCSE, 83% of students achieved 5 or more good GCSEs (up 2% on last year's previous high). In English, 72.3% of students achieved a higher grade pass and in Maths 73.6% of students achieved A*-C. The number of students accomplishing at least 3 levels of progress increased to 74% in Maths and was steady in English at 72%. 63.1% of students passed 5 or more good GCSEs including English and Maths. 18 of our Year 11 students also took an AS Level achieving an average grade B.

With the government focus on the need for all students to secure a good GCSE grade in Maths and English, the challenge for Collingwood in 2014 is to ensure that all students who are on track to achieve a C grade in either Maths or English are targeted and supported to achieve both. This is even more important now that students are required to continue with these subjects post-16, if they fail to achieve a C in Year 11. Our performance in these core subjects is consistently high with results in English 10% above the national average and in Maths they are 16% above.

Whilst we cannot expect every cohort to set new records we are delighted that our results have again confirmed our reputation as a high performing school.
