Coaching Opportunities

WWW.PULSEPREMIERFOOTBALL.COM

We have now established the Pulse programme using the facilities at Camberley Rugby Club where we are providing football coaching and vocational education to 16-18 year olds with our partners SCL Education and Training.

We are recruiting for September 2021 and would love to reach out to students in Year 11 that are potentially interested in a career in football or sport. We play a games programme too and have excellent exit routes.

Open training session [on Monday 21 December at 10am](#) at Krooner Park - Camberley Town FC.

The Wisdom Tooth presents The Day of the Dentist – a fantastic one day workshop aimed at secondary school students and sixth-formers thinking about pursuing a career in dentistry.

We know that deciding upon your future career is often a daunting, confusing and stressful time. Here at The Wisdom Tooth we aim to help you make the most important decision of your academic career so far by providing you an insight into what to expect from undergraduate dentistry and dentistry as a career.

We also appreciate that work-experience opportunities are few and far between and gaining any meaningful form of hands-on experience can be difficult. As such this day aims to provide invaluable practical experience in some of the key disciplines of undergraduate dentistry. We will also cover the basics of dental anatomy, history-taking and clinical examination.

This is aimed to give you a better understanding of the dental undergraduate experience and in doing so give you an edge when applying for dental undergraduate programmes.

Time will also be given to demystify the dental undergraduate application process and provide you with the opportunity to ask questions to those who have first-hand experience of undergraduate and postgraduate dentistry. All tutors on the workshop are UK registered dentists with full CRB validation.

CONTENT COVERED IN THIS COURSE

Demystifying the dental undergraduate application process

How to take a dental history

How to perform a dental examination Basics of dental anatomy

YOU WILL PERFORM

Dental Scaling

Impression taking

A dental filling of a 'chipped' front tooth

Stitching

PLEASE NOTE: ALL PRACTICAL ELEMENTS WILL BE PERFORMED UPON DENTAL PROSTHETIC MODELS

The National Apprenticeship Show

Airbus' Aerospace Virtual Work Experience - open for applications from students in Year 10 - 13. Details [here](#).

Airbus' '[Aerospace Virtual Work Experience](#)' is for Year 10 - 13 students. It involves around 10 hours of activities that students can complete at a time that suits them - meaning they don't have to take time off school (or eat into lesson time).

The free virtual work experience lasts for one week and would involve Collingwood College students (virtually) meeting a variety of team members working in areas anywhere from space to civil aviation. They'll also learn about sustainability and manufacturing and they'll complete work and assignments to get an understanding of what life at Airbus is like.

Students will receive a certificate directly from Airbus themselves, which is something they can use in both their CVs and personal statements - I can see this being a big attraction for a lot of schools.

The following Virtual Careers Events are taking place at the start of December with over 120 organisations taking part across two days.

The National School + College Leaver Show

1 December 2020, 9.30am-4.30pm

REGISTER – www.nsclshow.co.uk

Over 80 exhibitors, a mix of employers and HEI's with an emphasis on Higher Education.

National Apprenticeship Show

2 December 2020, 9.30am-4.30pm

REGISTER – www.nationalapprenticeshipshow.org

Over 40 exhibitors promoting Apprenticeship opportunities

How do the events work?

Students can register online now for either/both events and will have the opportunity to chat with exhibitors by voice/video or text chat as well as download useful information and view online video content.

Visitors can also download content relevant to the exhibitors they are interested in, view videos and apply for positions.

Logos of participating organisations will appear on the home page by 10th November.

Visitors should research clients in advance and be prepared with any questions they might have, preparation is everything.

Visitors can return to the website for 30 days after the event and will be able to download information, view content during this time.
