ONE NOTE

Don't forget to use the College One Notes for Sixth Form and Year 11

START - HOME LEARNING ACTIVITIES

START have produced a series of activities you can do at home covering topics such as:

- Selling yourself - the importance of a personal brand
- Learning from the jobs people in your family have done
- Understanding the importance of technology and how it's changing the workplace

You'll need to login with your **Start** account to do the activities. If you don't have one, just register yourself when prompted using your College email address. If you have any trouble registering or remembering your username or password just email careers@befordacademy.co.uk

Let's Get Started!

Step 1: Go to  www.startprofile.com/homelearning

Click the link above and you'll be taken to the Home Learning Activities landing page.

Step 2: Choose an Activity

We suggest working through the activities in order. When you're ready, simply click '**Start Activity**'. You'll need to login or register. If you don't complete the activity there and then, that's fine. Just come back later and click '**Resume Activity**'.

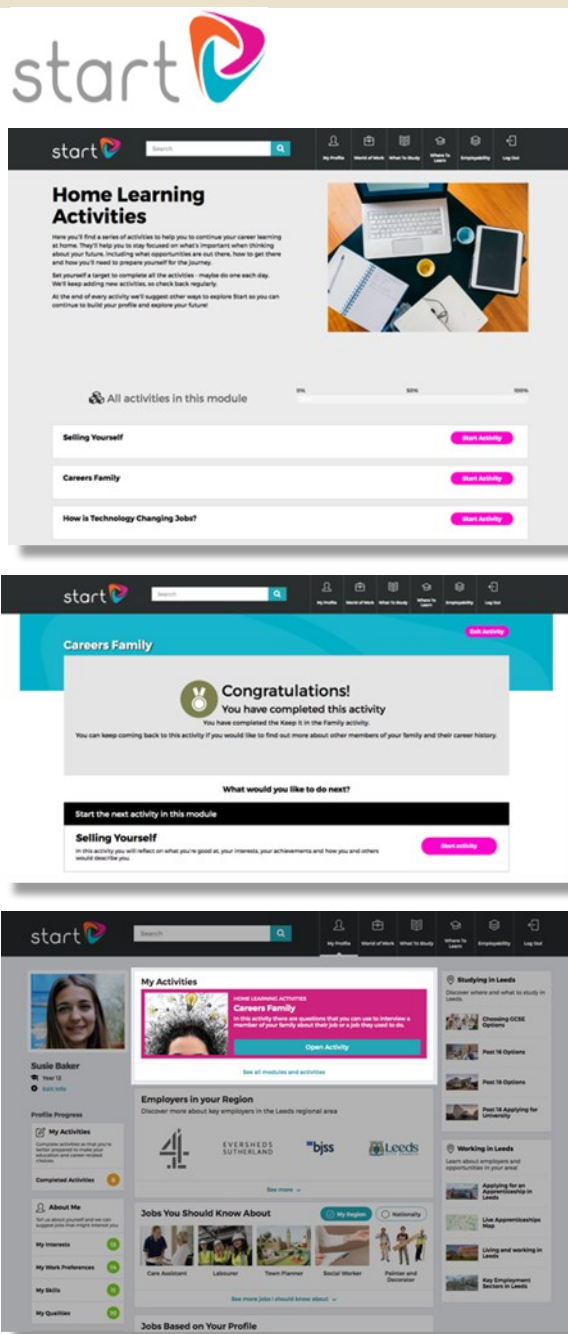

Step 3: Complete an Activity

When you complete an activity, you have two options. Either follow the on-screen instructions to go and explore other areas of Start, or begin the next activity.

And finally....

You can always find your next activity in the 'My Activities' box at the top of your Profile page.

Praise points available for every activity that you complete.

What would your advice be to current students?

Patience and hard work are the real career hacks and are invaluable traits to employers. Find something you love doing, study until you are good at it, and then keep doing it to the best of your ability without letting social media convince you that the grass is greener elsewhere and you can go really far. Short-cuts feel good in the short-term, but they put you in positions that you're unable to succeed in.
