Collingwood College Recruitment Information

Learning Support Assistant (Fixed Term to July 2025)

Dear Applicant,

Our vision for Collingwood is to be the College of first choice for all our parents and we are currently on a journey to move from Ofsted Good to Outstanding!

Collingwood College is committed to developing responsible, aspirational, independent, happy and well-rounded young people with the self-belief to reach their goals.

Our students are the focus of everything we do. We have found that by listening to students' views and offering them the opportunity to work with each other, staff and governors, they are an integral part of our relentless drive for improvement.

Collingwood College offers all students an inclusive, flexible and stimulating educational experience. With a strong emphasis on personal development and a very wide range of leadership opportunities and extra-curricular activities, we are able to offer challenges that motivate and appeal to all individuals.

Our academic performance is consistently high and in recent years students have achieved excellent results at pre and post 16 level. In 2024, in the Sixth Form, 72% of A level qualifications were at A*-C with over 20% of entries gaining the top A/A* grades. Furthermore, 50% of the cohort gained an impressive A*-B across all qualifications.

At GCSE, over 70% of entries were graded at 9-4. 65% of our students also achieved 9-4 grades in both English and Maths. Over 20% of entries were awarded the top grades, 9-7 with over 10% of entries at the very top grades. Students at Collingwood, who attend well, whatever their starting point, **make great progress.**

This continued level of success is down to the hard work of our students and their teachers.

We believe that our staff are the foundation upon which the success of the College depends and recognise that our employees are the most important asset of the college.

We welcome and encourage applications from graduates who are looking to gain experience before going into Teacher Training.

We empower our employees to utilise their talents and skills to make a positive and significant contribution to the quality of teaching, learning and personal development that the College provides for its students.

We look forward to receiving your application for this post.

Yours sincerely

Miss Karen Watling
Principal
