Collingwood College Recruitment Information

Teacher of Geography

Dear Applicant,

Our vision for Collingwood is to be the College of first choice for all our parents and we are currently on a journey to move from Ofsted Good to Outstanding!

Collingwood College is committed to developing responsible, aspirational, independent, happy and well-rounded young people with the self-belief to reach their goals.

Our students are the focus of everything we do. We have found that by listening to students' views and offering them the opportunity to work with each other, staff and governors, they are an integral part of our relentless drive for improvement.

Collingwood College offers all students an inclusive, flexible and stimulating educational experience. With a strong emphasis on personal development and a very wide range of leadership opportunities and extra-curricular activities, we are able to offer challenges that motivate and appeal to all individuals.

Our academic performance is consistently high and in recent years students have achieved excellent results at pre and post 16 level. In 2023, in the Sixth Form, 74% of A level qualifications were at A*-C and our ALPS three year rolling average (progress) score for A level and BTEC qualifications was a 4 ('very good', top 40% nationally).

At GCSE, almost 80% of entries were graded at 9-4. 71% of our students also achieved 9-4 grades in both English and Maths. Our ALPS progress measure was 4 ('very good', top 40% nationally). This continued level of success is down to the hard work of our students and their teachers.

We believe that our staff are the foundation upon which the success of the College depends and recognise that our employees are the most important asset of the college.

Collingwood welcomes and encourages applications from Early Careers Teacher (ECTs). We have an outstanding induction programme for ECTs and we were recently awarded 'exceeding expectations' for provision and support provided to ECTs by our Appropriate body, Hampshire County Council.

We empower our employees to utilise their talents and skills to make a positive and significant contribution to the quality of teaching, learning and personal development that the College provides for its students.

We look forward to receiving your application for this post.

Yours sincerely

Principal

Teacher of Geography

The Role

To support the successful implementation and development of the school's academic and pastoral programme as a member of the Humanities Team. The role is Full Time. ECTs will also be considered. We also welcome applications from those returning to work after a career break.

We are looking for a suitable candidate to teach Geography. In particular, we would welcome applications from staff that have the ability to teach Geography to all Key Stages and, in addition, the ability to teach a second Humanities subject.

The Department

Collingwood College has a flourishing Geography Department. The team endeavours to ensure that students find Geography stimulating, enjoyable and highly relevant as a subject. Geography secures between 5-6 GCSE classes each year. It is also a core subject at KS3 with students studying it for two hours a fortnight. We also offer the subject at A level with one class in Y12 and another in Y13. The Department has high expectations of all students and is focused on helping them achieve their very best, in classwork, homework, school examinations and public examinations. The Department provides pupils with a rich variety of lessons and a broad range of opportunities to extend their learning. We continually explore new and interesting ways to teach the subject, in order to engage pupils at every level and ensure all reach their full potential.

The Geography team results are outstanding year on year. Our Y11 Geography GCSE students achieved 29% 9-7 and 77% Grades 9-4 at GCSE, with an ALPS 3 for our progress putting us in the top 25% of the country. In the Sixth Form we offer A Level Geography again with excellent results, with 84% of our cohort achieving A*-C.

A particular strength of the department is the way we identify and challenge our gifted and talented students, always looking to stretch and challenge our more able students whilst at the same time having high aspirations for all abilities.

There are currently 5 members of the Geography Department, teaching from KS3 to A Level, with a mix of full-time, part-time and staff with additional responsibilities within the school. Collingwood is large school offering a number of Humanities subjects and as such, it is common for new members of the team to quickly secure TLR posts in both academic and pastoral roles.

Application Process

An application form can be obtained on our website www.collingwoodcollege.com . Completed application forms should be returned to the HR Department hr@collingwood.surrey.sch.uk

Closing Date: 20 March 2024

Suitable candidates may be interviewed before the closing date and Collingwood College reserves the right to withdraw the position if an early appointment is made.
