PiXL Edge

Students in all Year Groups are also invited to participate in PiXL Edge in S14 with Mrs Puri. There is no particular set day or time for this as it is student led.

PiXL Edge is a framework for secondary schools and sixth form providers to develop and accredit students in attitudes, attributes and skills essential for employability and life. Through a series of accredited tasks and activities (including target-setting and self-reflection) PiXL Edge enables students to systematically enhance their skills.

The Edge / LORIC

The LORIC Edge programme will allow students to develop and be accredited for five key essential attributes which have been especially chosen for their formative qualities in character development as well as their desirability by employers.

What are the LORIC attributes?

Leadership

Organisation

Resilience

Initiative

Communication

Further information will be available in assemblies. Interested students can also speak with Dr Sinclair to find out more.

Duke of Edinburgh's Award

The DofE Award is a programme of activities for students to do in their spare time. DofE gives students the chance to develop skills for work and life, fulfil their potential and have a brighter future! There are 3 Awards:

Bronze (Year 9)

Silver (Year 10)

Gold (Year 12/13)

Further details are available from the College website – www.collingwoodcollege.com
