

## Instrumental / Vocal Music Lessons at Collingwood College

We encourage all students to learn to play an instrument. Music Tuition is available for those wishing to take graded examinations or students who just want to learn for pleasure. The majority of lessons take place at Collingwood College either during the College day or before/after College.

Further details regarding Music tuition including Fees and Application Forms can be obtained through the Surrey Arts website: [www.surreycc.gov.uk/arts](http://www.surreycc.gov.uk/arts)

### MUSIC LESSONS

#### General information regarding Music Lessons

Whilst on the premises waiting for an instrumental lesson, students must abide by the College rules. Parents are responsible for the safety of their child at all times when attending after College lessons at Collingwood and should arrange to collect students promptly.

Instruments brought in to the College are left at the owner's risk and must be left in the instrument cupboard in M2.

Instruments should be collected immediately at the end of the College day as this room is not locked after College.

The College will not accept any responsibility for loss of, or damage to, instruments. It is advisable to include the instrument on a household "All Risk Policy".

No lessons will be scheduled on INSET or Academic Review Day closures.

There are also a number of additional extra-curricular activities and performance opportunities for musicians at Collingwood College which we hope music students will contribute to.
