

FROM THE ACTING PRINCIPAL ...

Industrial Action

There are two further days of Industrial Action on Thursday 27 April and Tuesday 2 May and I have been consulting with our staff union representatives about this. There is no requirement for staff members to inform me in advance if they will be taking action on these days. Following our risk assessment analysis and modelling, together with the assumption that similar numbers of staff who took strike action on previous occasions will do so again, then we will not be able to keep the College fully open. I have therefore made the decision that we will again need a partial closure but that we will be able to accommodate three year groups safely, prioritising Year 11, 12 and 13 over these two days.

Year 11 and Sixth Form students are still to attend College as outlined on Page 3 and they will follow their Wednesday Week 2 timetable on 27 April and their normal timetabled lessons on Tuesday 2 May. My decision is based on feedback from staff regarding students in Options who have been disproportionately affected by the loss of curriculum time and a change to the timetable will further support the exam preparation for Option E students. During these days timetabled examinations for GCSE Languages (*Chinese and Spanish), GCSE Art Textiles and 'A' level Photography will go ahead as planned and students involved in these will have already received the details. Also, there will be opportunities for selected students to complete their coursework in some subjects and students will have received details about this from their teachers. However, striking staff do not have to set work in their absence so students will be encouraged to bring independent learning materials with them to College on this day so they can make a productive use of the time in such lessons. All coaches will be running as normal as will catering facilities.

LAMDA STUDENTS GET A TASTE OF SHAKESPEARE

Our Year 9 LAMDA students had a fantastic opportunity to visit the National Theatre to watch the performance of 'Romeo and Juliet'. This was an exciting trip for our students, who were able to experience live theatre and observe the techniques used by professional actors, drawing on the classic text 'Romeo and Juliet' and presenting the story to the audience with a modern twist.

Our students demonstrated exceptional behaviour and were a credit to Collingwood. They were polite, respectful and attentive throughout the performance, which made a lasting impression on the actors. In fact, the lead actors themselves commented on how impressed they were with our students' exemplary conduct.

Watching a live performance is a unique and enriching experience that our students will carry with them for years to come. By observing the acting techniques, set design and the use of lighting and sound, our students were able to gain a deeper understanding of the creative process that goes into making a play. Mrs Valu and Mr Green also took the time during the interval to meet with the sound designer and operator who shared her experience of working in a theatre.

ATTENDANCE - LEAVE OF ABSENCE/ HOLIDAY REQUESTS

Just to remind parents/carers that if they take their children out of school without authority, they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

YOUTUBE CHANNEL TO SUPPORT STUDENTS' SCIENCE KNOWLEDGE

Is your child struggling to engage or revise for their Science Assessment in Years 7 and 8 (KS3) or in Years 9-11 (GCSE)?

Do you think they have gaps in knowledge? - then they would benefit from **SUBSCRIBING** to **YOUTUBE channel PURE SCIENCE EDUCATION** to support them.

The channel has been created for Collingwood students for the above purpose and students using the site regularly are increasing their grades. They will also automatically receive 1 **FREE video** a week, if they subscribe.

For Years 7-10, work will be provided via OneNote in some cases but there will be no live lessons. Given the significant number of NEU members of staff, please expect such provision to be very limited, however we will guide the students to generic work on these days to support their learning and future revision. An Edulink message will be sent to all students next week.

Again, like on previous occasions and subject to capacity, we will endeavour to accommodate vulnerable students and children of critical workers on site. For us to assess demand, parents/carers of vulnerable students and those who are critical workers, are asked to click on the link below and complete the Microsoft Form by no later than midday on Tuesday 25 April 2023 if they are interested in utilising the on-site provision.

Industrial Action Provision - Microsoft Form

For students who are entitled to receive free school meals, lunch can be made available for them in College on both days. Please click the link above and complete the relevant section if your child will come into College for lunch.

I am sorry that you have had to make alternative arrangements for Thursday 27 April and Tuesday 2 May and I would like to reassure you that I have not taken these decisions lightly, but the health, safety and welfare of students and staff are of paramount importance to me. I am sure you understand the situation we are in, and I would again like to thank you in advance for your support.

Timetable Change

For your information I have changed the timetable for next week as below:

This experience also helped our students to develop their critical thinking skills and cultural awareness - key skills required for the LAMDA exam.

We would also like to thank the National Theatre for providing us with the chance to witness such a stunning production of 'Romeo and Julie'. Some of our students are working with the National Theatre on a new scriptwriting project and the National part-funded our tickets. I would also like to thank Mrs Valu, Miss Hardicre, Miss Ingram, Mrs Ospina, Miss Taylor and Mrs Duddy for their help with the trip, enabling our students to attend.

We are incredibly proud of our students for their excellent behaviour, and we look forward to offering similar opportunities in the future.

SUPER YEAR 7 GIRLS PLAY AT TWICKENHAM STADIUM

On Thursday 16 March our Year 7 girls' rugby team travelled to Twickenham Stadium to compete in the English Schools finals day. The girls visited the museum first to soak up the history of the sport and try some interactive rugby fitness tests. They got to see the world cup too!

The girls were privileged to be able to play on the hallowed turf of HQ which I was very jealous of! All the girls played their first ever game of contact rugby and won 10-4. Stand out performances were Zoe Lampard scoring 5 tries and Tilly Collins making exceptional tackles as big players ran at her. They have shown so much ability and the opposition PE teacher was really impressed that they all had not played before. Girls rugby training sessions will return after the summer break.

Cracking performances from everyone!

Team: Lily Bond, Sophie Evans, Tilly Collins, Amelia Bright, Zoe Lampard, Briony Stevenson, Elizabeth Hardy, Aoife Hollis and Chloe Edwards.

BOYS RUGBY NEWS - SPRING TERM

This half term's fixtures and training have been disrupted by industrial action so therefore only a few year groups played in an extra tournament. Year 7 played on Thursday 9 March and won both their matches convincingly vs Tomlinscote and Salesian School, Chertsey. Years 9 and 10 came together to make a superb team, playing 7s against Salesian School at Collingwood on Monday 27 March. They played 10-minute thirds and the scores were: 15-17, 34-0, 31-0. Well done to all players this year - it has been a pleasure to watch and see you all develop.

Years 9/10 Team: Sam Porter, Matthew Roberts, Ollie Morris, Aidan Hedges, Tom McShane, Connor O'Brien, Owen Bourne, Ollie Rudd, Tom Lampitt

Rugby Shirt Orders

I wanted to update parents that the shirt orders have now been processed. I know that the length of time this has taken has been frustrating, but this was mainly due to the shirt company changing their sizes and then having to translate the sizes that you originally provided.

EXAM CERTIFICATES

Exam certificate postage payment is available on ParentPay. Please ensure payment is made as soon as possible to ensure your child receives their exam certificates for the Summer 2023 season. This is of particular importance for those students in Years 11 and 13 who are leaving the College.

To avoid certificates being lost in transit or left crumpled at the bottom of a school bag, we encourage payment to be made for Years 9 and 10 too.

For those that make payment for postage, exam certificates are usually despatched in December using Royal Mail's 'Signed For' service.

Certificates will be required by future employers and further education institutes. If you don't have your certificates when you need them in later life, the exam boards can provide a replacement statement of results but it is very costly.

National Pet Day

Our celebration of National Pet Day has been a great success. Students can't stop looking at the board and admiring and discussing who is the cutest, the sweetest or the cheekiest looking pet. Keep the photos coming in, so we can keep the display up a bit longer than planned.

Diversity Week

We have selected a range of books on black history, LGBTQ+, women's rights and gender equality. Come and see our display!

Can you please encourage your son/daughter to return any overdue library books/DVDs as soon as possible to avoid possible behaviour points. If you have any issues, please email: s.blave@collingwood.surrey.sch.uk
