

UNDER 16 GIRLS VICTORIOUS IN DISTRICT CUP FINAL!!

Collingwood's Under 16 girls' football team went into the final in a confident mood after a successful season, albeit they knew they were going to be in for a tough night against a Woolmer Hill team who has a 100% record during the season.

WOOLMER HILL SCHOOL U16 GIRLS FOOTBALL SQUAD 2024/25

✓ Aldershot & Farnborough District Division 3 Champions

✓ Aldershot & Farnborough District Cup Finalists

Season Record: P 10 W 10 GF 61 GA 11 GD 50

The game started quite evenly with some fast breaks by the pacy Woolmer Hill wingers. After weathering an initial storm, the girls won a corner at the other end. Goals direct from a corner are few and far between, but the delivery into the box by Lottie Kemp was so on point that it gave us a 1-0 lead in what turned out to be a pretty even first half, despite losing Evie to a knee injury. A first half during which Keeleigh was brilliant, working tirelessly with Maisie in the middle of the field. After a half-time pep-talk by Mr Cleary, reminding the girls of their strengths and what they have achieved this year, the girls came out flying in the second half with Grace a threat on the wing and Scarlett and Shauna giving them no time on the balls.

FROM THE PRINCIPAL ...

This half term has flown by where our wonderful Collingwood students and staff have truly exceeded expectations from Status Racing, confident performances at the Open Mic event, Roboteers on TV to winning another district football final. Not forgetting our examination students who have been fully engaged with revision in lessons and have completed two weeks of exams in a focussed manner. Along with our successful first CCFA event ..wow!

Status Racing Team Visit McLaren

Our students had an amazing day at McLaren last week. The whole team were exceptional and represented Collingwood brilliantly throughout the whole visit. Their presentation to members of the McLaren team was incredibly professional. The feedback from McLaren staff was very complimentary and the McLaren team have encouraged our students to apply for work experience and graduate schemes with them!!

PE KIT DONATIONS

The PE Department would be really grateful for any donations of College PE kit no longer wanted by Year 11 students. If you are in a position to donate old PE kit (including any old pairs of trainers or football boots) that are no longer wanted, please hand them into Kingston Reception in a tied up carrier bag clearly marked for the attention of the PE Department.

Thank you in anticipation.

Mr Beer - Head of PE Department

EXAM CERTIFICATES

Exam certificate postage payment is available on ParentPay. Please ensure payment is made as soon as possible to ensure your child receives their exam certificates for the Summer 2025 season. This is of particular importance for those students in Years 11 and 13 who are leaving the College.

To avoid certificates being lost in transit or left crumpled at the bottom of a school bag, we encourage payment to be made for Years 9 and 10 too.

For those that make payment for postage, exam certificates are usually despatched in December using Royal Mail's 'Signed For' service.

Certificates will be required by future employers and further education institutes. If you don't have your certificates when you need them in later life, the exam boards can provide a replacement statement of results, but it is very costly.

UNDER 16 GIRLS VICTORIOUS IN DISTRICT CUP FINAL!!

[CONTINUED FROM PAGE 1](#)

Chances came and went for Scarlett, Tilly, Shauna and Eden and even a disallowed goal that was scored by Scarlett, but was later proved on video footage to be onside! They were exceptional in the second half and despite having the majority of the possession we had not yet clinched the game and Woolmer Hill continued to look threatening on the counter-attack, albeit they were marshalled wonderfully by the back four of Ida, Lucy, Evalyn and Liv, and even when they did break through Ros was there to save the day.

We eventually clinched the win with a late, calmly taken Shauna goal after a great through ball by Beth (who was phenomenal in the second half, along with Chloe in the centre of the pitch) and then everyone could breathe a sigh of relief.

What undoubtedly stands out is the togetherness of the girls who despite being from three different year groups is clear to see. It would be wrong to pick a player of the match. The defence were exceptional, the midfield worked unbelievably hard and the attackers were a constant threat. On to next year now after the most successful season ever where we are intent on retaining the trophy.

Mr Cleary - Head of Upper College

Open Mic Event

Our Performing Arts team have organised two successful Open Mic events recently -one for KS4 students last week and another one for KS3 students on Monday. The events once again reminded us what talented students we have!

More Girls' Football Success

Congratulations to the girls' under 16s football team for becoming District Champions after their 2-0-win vs Woolmer Hill in the final last Friday. My thanks to all those parents who came along to support the team. What a season our girls' teams have had!

Our Robot Wars Team on TV!

This week the first episode of the new Mech Mania series - Duel of the Crates was released which features our teams from the Robot Wars Club (including our heat win with Maverick). Episode 2 will release next week which will have the finals of the competition. The episode is available via the subscription platform Mech +.

COLLINGWOOD CELEBRATES DOFE GOLD AT BUCKINGHAM PALACE – MONDAY 12 MAY 2025

It was my absolute honour to be attending the annual Buckingham Palace Garden Party last Monday to celebrate the DofE Gold Awardees for 2023-2024. Collingwood had five awardees receiving their badges and certificates from HRH The Duke of Edinburgh this year: Alex Baker, Martina Buocikova, Breanna Dibbs-Fuller, Sophie Grainge and Cameron Porter.

The Gold Award comprises of five sections: Volunteering for one year, Physical activity for six months, learning a new Skill for six months and also taking part in a five-day, four-night Residential. This can be anything from learning another new skill like cooking or skiing, or volunteering with a charity or another organisation. The only criteria is that you have to go somewhere where you do not know anyone else.

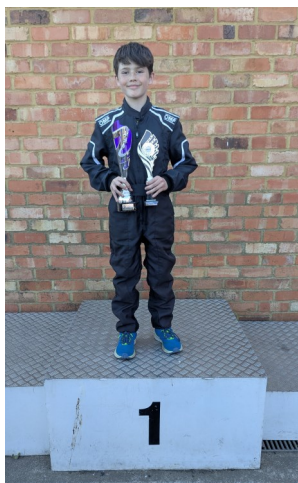

Then of course the final challenge is the Expedition. Breanna, Sophie, Cameron and Alex set out for Dartmoor last year and experienced the worst weather ever seen on Gold Expedition. Their practice expedition in April 2023 was in the Brecon Beacons and they had battled frosty mornings, but the days were fine. Martina did her Gold expeditions on horseback in the Brecon's with an outside activity provider in 2022/2023.

Completing Gold puts them in the top 1% of the young adults in the country and indeed the world. They have had to challenge themselves to do things beyond their comfort zones, meet new people, work as a team, show leadership qualities and learn how to be led. They are all now at universities around the country and will, no doubt, go on to do amazing things in the future and we wish them all the very best going forward.

Mrs Goggin - DofE Co-ordinator

YEAR 7 STUDENT KARTS TO SUCCESS

During the weekend of Saturday 10 May and Sunday 11 May, Harvey Ball (7H) participated in Rounds 8 and 9 of the National Schools Competition at Whilton Mill Karting Circuit. The racing went well, and despite breaking the seat supports in Race 1 (which he still won!), after some rapid welding at the track, Harvey got back out on the track and still managed to win both the Saturday and Sunday rounds.

This followed on from another double header win at Clay Pigeon Raceway on Saturday 5 April and Sunday 6 April.

Harvey is now guaranteed top ranking in his category for the National Finals with three rounds still to go before the finals. He has won 7 of the 9 National Schools meetings this academic year. His next National Schools event is the weekend of Saturday 14 June and Sunday 15 June at Llandow.

Many congratulations on your amazing achievements so far this season, Harvey!!

SPOTTING MATHS IN THE REAL WORLD – NUMERACY WEEK AT COLLINGWOOD

This week, we celebrated *Numeracy Week* by encouraging students to use their '*maths eyes*' - looking at the world around them through a mathematical lens. From shapes in architecture to patterns in nature, students were invited to discover just how much maths is hidden in plain sight. To bring this to life, the Maths Department launched a *Maths Scavenger Hunt* competition. Students are challenged to take photos of everyday objects or scenes that show interesting mathematical ideas. The competition has been promoted in lessons and details have been shared with families via Edulink.

We would love your support in encouraging students to take part! Entries are open until **Friday 6 June**, and the **top three submissions** will each win **Amazon vouchers**.

So, get spotting - maths is everywhere!

SUCCESS STORIES

Sewa is a Level 6 Chartered Manager Degree Apprentice at Microsoft. She says;
"One of the biggest challenges I face during my workday is staying focused during long meetings. My ADHD means my attention span isn't always great, and not being able to focus can be frustrating. I've been open and honest with my team, and when I need a break, I take one.

To stay organised and focused, which can be hard at times, I use a combination of digital tools and physical planners.

I break down large tasks into smaller, manageable steps to avoid feeling overwhelmed. If I do get overwhelmed, I'm transparent with my manager and take a break to let my brain breathe.

My company has given me a few adjustments to support me, such as standing desks and noise cancelling headphones. They've also made me aware of tools like speech-to-text, which helps with my writing and is actually what I'm using to write this article!"

Important Reminders

Visits to School Site by Appointment Only

We would like to remind you that visits to the College site must be prearranged and approved through prior communication with College staff. This ensures the safety and security of all students and staff and allows us to manage our time and resources effectively. As we are sure you will understand, it is simply not possible for our staff to be immediately available as they have teaching, duty or meeting commitments.

Please do not come into College expecting to see a member of staff without an appointment as this will be a wasted journey for you and cause you lost time and unnecessary frustration. If you need to meet with a teacher, staff member or College leadership, please contact the College office to schedule an appointment.

3-day Response to Parental Communications

*We would also like to remind you that we have a **72-hour response** period for staff to reply to parental communications. It is obviously unreasonable to expect immediate responses to emails or messages when staff have full teaching and meeting commitments. This protocol also allows us time to investigate your communication and to reply with a detailed response to you. In all cases, we would ask parents to use the **tc@collingwood.surrey.sch.uk** email address to ensure communication is directed to the correct member of staff and to ensure an appropriate reply is made within 72 hours.*

I very much appreciate your understanding and co-operation in adhering to these procedures and thank you for your support in maintaining positive College-parent/carers relationships.
