

BIKE WORKSHOPS - A HUGE SUCCESS!

On Monday 9 June, Louise Rowen from the sustainable travel charity Sustrans visited the College to deliver a series of bike workshops. Throughout the day, students learned essential bike maintenance skills, including how to perform safety checks and fix punctured tyres.

A total of 33 students participated, and Louise remarked that this was the highest number of girls she had seen take part out of the schools she has visited! The students were very enthusiastic during the workshops, displaying perseverance and helping one another as well.

We aim to have Louise back in again soon to carry out more workshops.

Mr Ballard - Environmental Sustainability Co-ordinator

FROM THE PRINCIPAL ...

Celebration Breakfast

One of the highlights last week was my Principal's breakfast with the wonderful tutor group, 8I, and their pastoral staff in recognition of their kindness to one another and for epitomising the College values especially integrity. The students spoke positively of their week back after half term and the great lessons that they were experiencing such as rapping in Drama, solving equations in Maths and studying the civil rights in America in History.

Sports Day

The College's Sports Day event is at Bracknell Sports Centre next **Wednesday 18 June**. The evening is always a highlight of the College calendar and gives staff and parents an opportunity to see the outstanding sporting talents of our students at a specialist venue. Your support would be very welcomed by PE staff and students.

FROM THE LIBRARY ...

New Titles to Borrow

The Library has recently purchased some new and exciting titles that are now available to borrow.

Overdue Library Books/DVDs

If your son/daughter has any overdue books/DVDs outstanding please ask them to return to the Library as soon as possible.

If any student is unable to return the books or DVDs to the Library during the opening times then please leave them with a member of staff at either Barossa or Kingston Reception for the attention of Ms Blay - Library Manager.

Thank you for your support in this matter.

Ms Blay - Library Manager

FROM THE PRINCIPAL

Will you use your calculator again?

Donate your CASIO calculator to the Maths department and we will thank you with a chocolate bar.

Please seek approval from your parents before donating.

Greatest of thanks from the Maths Department.

OUTSTANDING LINGUISTS

The Languages Department would like to say a huge well done to the following Years 7 and 8 students for showing outstanding linguistics skills in Spanish or French over the last month. We would also like to say a huge well done to Sophie Tugwell in 7E who was inadvertently omitted from our Outstanding Linguist list last month.

Mrs Connell - Head of French

SPORTS DAY 2025

18 JUNE

YEARS 7, 8 AND 9
JOHN NIKE STADIUM, BRACKNELL
5.00PM – 8.30PM
ENTRY FORMS IN FORM GROUPS

The poster features a green background with a large white tree logo and the text 'Collingwood College BELIEVE SUCCEED' in the top right. The main title 'SPORTS DAY 2025' is in large white letters. The date '18 JUNE' is in large yellow letters. The bottom section has a red running track image with a person's legs running. Below the track, there are yellow silhouettes of a person running, a person jumping, and a person throwing a javelin.

PARENT GOVERNOR BALLOT - REMINDER TO CAST YOUR VOTE!

Do not forget to vote for one of the three Candidates for the Parent Governor vacancy if you have not already done so. The link to the electronic Ballot can be found in the letter sent via email to all parents on Wednesday 4 June and is also available to view via Edulink (Noticeboard, Letters Home, June). The Ballot will close on Thursday 19 June at 10.00am.

Mrs Ratherford - Clerk to the Governing Board

YOUR BRAIN  **IS AROUND**
73% WATER

IT TAKES ONLY 2% DEHYDRATION TO AFFECT YOUR ATTENTION, MEMORY, AND OTHER COGNITIVE SKILLS.

Please ensure your child has a water bottle and brings it into College.
NO water = headaches, feeling unwell and reduced ability at school.

LEAVERS' CATERING ACCOUNT BALANCES

All funds paid into students' catering accounts via ParentPay are paid directly to our catering company and not the College. At the end of term they will begin processing refunds of surplus balances. If a student has a sibling here at Collingwood, the balance will be transferred into their account (unless requested otherwise) or a refund will be made to the paying parent.

EXAM CERTIFICATES

Exam certificate postage payment is available on ParentPay. Please ensure payment is made as soon as possible to ensure your child receives their exam certificates for the Summer 2025 season. This is of particular importance for those students in Years 11 and 13 who are leaving the College.

To avoid certificates being lost in transit or left crumpled at the bottom of a school bag, we encourage payment to be made for Years 9 and 10 too.

For those that make payment for postage, exam certificates are usually despatched in December using Royal Mail's 'Signed For' service.

Certificates will be required by future employers and further education institutes. If you don't have your certificates when you need them in later life, the exam boards can provide a replacement statement of results, but it is very costly.

Collingwood Exams Team

Important Reminders

Visits to School Site by Appointment Only

We would like to remind you that visits to the College site must be prearranged and approved through prior communication with College staff. This ensures the safety and security of all students and staff and allows us to manage our time and resources effectively. As we are sure you will understand, it is simply not possible for our staff to be immediately available as they have teaching, duty or meeting commitments.

Please do not come into College expecting to see a member of staff without an appointment as this will be a wasted journey for you and cause you lost time and unnecessary frustration. If you need to meet with a teacher, staff member or College leadership, please contact the College office to schedule an appointment.

3-day Response to Parental Communications

*We would also like to remind you that we have a **72-hour response** period for staff to reply to parental communications. It is obviously unreasonable to expect immediate responses to emails or messages when staff have full teaching and meeting commitments. This protocol also allows us time to investigate your communication and to reply with a detailed response to you. In all cases, we would ask parents to use the **tc@collingwood.surrey.sch.uk** email address to ensure communication is directed to the correct member of staff and to ensure an appropriate reply is made within 72 hours.*

I very much appreciate your understanding and co-operation in adhering to these procedures and thank you for your support in maintaining positive College-parent/carer relationships.

CAREERS NEWSLETTER

SUCCESS STORIES

Adam tells us about his experience of dyslexia and working at the National Trust. After joining the Trust last year, and then recently successfully applying for the role of Countryside Manager, he reveals the adjustments that were made to the interview process and talks about how he's recently been inspired by an apprentice on his team.

I recently joined the National Trust and in common with 10% of the population I am dyslexic but didn't have this confirmed until my late 30's.

If 10% of the population are dyslexic (with many not knowing) it means the National Trust has 750 dyslexic employees, 500,000 dyslexic members and 2.7 million dyslexic visitors.

The generic role profiles are already in an accessible format, I was given interview questions written down, had plenty of time for interview exercises. This resulted in all candidates being assessed to our best and in a way that was relevant to the role.

[Read more about Adam's story here.](#)

OPPORTUNITY'S CALLING...

On 19th June from 3:30-4:00pm,

Amazing Apprenticeships are offering a webinar to any students that are seeking an apprenticeship. [Register here](#) to hear from experts explaining how to get ready for your Apprenticeship journey!

If you feel ready to speak about your future and have any questions or need support to plan your next steps, please contact careers@collingwood.surrey.sch.uk.

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities.

Please use the links included to read more information and apply to anything you are interested in.

Remember, you can use UCAS and Career Pilot any time to research your career options, take part in quizzes and see which jobs might suit you.

OPPORTUNITIES

Aviation on the Ground - The People Who Make It Happen: 18th June | 11am | Online session. This virtual event introduces secondary school and college students to the essential roles that keep airports and aviation operations running smoothly behind the scenes. Students will hear from professionals in airport management, ground crew, baggage handling, and more, discovering the diverse and vital careers that contribute to the aviation industry. This session highlights the skills and pathways needed to succeed in these dynamic roles.

National Cyber Force, Application Masterclass: Weds 9th July | 10am-12pm | Online session. This event is for Year 12 and 13 students interested in learning more about applying to an intelligence agency and the vetting process. National Cyber Force offers a wide range of careers including cyber security, tech engineering, language specialists, project management, information management and analysis.

Want to know what it's like to do a Degree Apprenticeship in Finance? NGTU ambassador, Ethan sat down with Elaine, Apprenticeship Delivery Manager from Lloyds Banking Group to chat about career opportunities, skills, and what to expect. Catch up on the conversation - watch here! And, if you're feeling inspired, take a look at the different finance roles currently available on the NGTU website.

A list of all UK Medical School entry requirements. The creators of this list also have a helpful website; "Everything that you need to know about applying to study medicine, dentistry or pharmacy at a UK university. This site is produced and updated by the Medical Schools Council." Check it out here.

Amazon and Springpod have created a series of new online work experience opportunities to help you understand how digital skills are used in the workplace.

JOB OF THE WEEK

Cyber Security

A Cyber Security Analyst's primary role is to protect an organisation's computer systems, networks, and data from cyber threats, unauthorised access, and attacks.

Watch the video to learn more about how much you could earn, working hours and pathways into the industry.

LABOUR MARKET INFORMATION FACT

According to the 2025 Gen Z Careers Survey Report, co-created by Springpod and Amberjack, 60% cite financial pressure as their top career influence and 69% say career planning causes them stress.

OPPORTUNITIES

 OPEN

An open day is the best way to get a real taste of university life. You can explore the local area, check out the facilities on campus, and speak to current staff and students. Here's everything you need to know to plan and get the most out of your visit.

Success at Schools have a guide of things you can do over the summer break to help your future self. From attending a festival to volunteering to taking part in NCS, there are so many options!

FutureMe is a website that allows you to write a letter to your future self. You set a date and it will email your letter to you. Why not write one for the end of Year 11 with what you hope to have achieved by then? Remember, if you plan to send a letter to return to you once you have left school, use your personal email address so it gets to you!

On the Prospects website, they have a range of helpful resources. These include:

- Case studies - stories of people and their journeys from school to where they are now.
- What can I do with my degree? - are you wondering where studying different subjects could lead you in the future? This resource gives you a list of job roles each degree could be relevant to.
- What job would suit me? - The career planner matches your skills, motivations and desires to a career that's perfect for you.
- They also have info on helpful topics such as gap years, self employment, CV writing and much more!

There are many benefits of using AI, from saving time to automating simple tasks. However, it also has some disadvantages you should be aware of too. AI can make mistakes and it might copy human biases, such as using unfair stereotypes and assumptions of people. A popular use for AI right now is for job hunting. But how can you use AI to apply for work? Will it help, and is it ethical? Read this article to find out more.

EMPLOYER SPOTLIGHT

"Think big. Act bold. Transform the future. With Lloyds Banking Group. This is where you'll make an impact. Reach 28 million people every day. Businesses, customers and communities. Share your ideas. Show us your energy. Work on projects with purpose. We'll help you turn all that ambition into achievements. And build a career that sets you apart."

Read more about Lloyds Careers [here](#).

UNI SPOTLIGHT

"Every day we're researching, teaching, and discovering. Come with an inquisitive mind and an open heart and create the learning landscape you want to see. Join a creative university where you are encouraged to express yourself, think critically, and consider how you can shape yourself and the future."

Read more about Goldsmith's Courses [here](#).
