

## YEAR 8 GIRLS ARE DISTRICT BASKETBALL CHAMPIONS

The Year 8 girls' basketball team has become District Champions for the first time!

The team participated in two tournaments. The first event was held in December and the girls finished in joint first place with Woking High. The second tournament was held on Monday 10 February at Bishop David Brown school in Sheerwater. We arrived and discovered that our first match was against Woking High. This was the team that we were joint winners with in the last tournament. It was an extremely competitive match and we ended up drawing 4-4.

The rest of the tournament led to victories against all other schools. This included two teams from SJB, Bishop David Brown and George Abbot. The final results concluded in a tie for first place with Woking High but with a count back of baskets 'scored', Collingwood were champions.

**Team:** Maya Chana, Freya Knight, Jessica Marcham, Holly Knight, Bella Price, Maddy Lesser, Leila Stephenson and Daniella Shanks

## FROM THE PRINCIPAL ...

It has been another busy half term and over the last two weeks our KS4 examination classes, Years 9-11 have been working hard and have just completed their mock examinations. I have been impressed with their attitude and approach to these and I am looking forward to analysing their results to see what further support and intervention we need to put in place to support our students to realise their potential in the summer.

### Great Feedback!

It was wonderful to receive very positive feedback from an external visitor, from the Maths Hub last week. Our visitor came in to work with our Maths team on teaching for mastery. She was very impressed on her learning walk and commented on how good behaviour was and the strong relationships between students and teachers. Well done to the Maths team and students.

## COLLINGWOOD YEAR 9 BASKETBALLERS CLOSE OUT SEASON

***Wednesday 5 February saw the squad travel to St John the Baptist School in Woking to play our final league match of the season.***

It can be a little disheartening when you look across and see a 6'3" opponent but the team played with great spirit and a lot of good attacking flair.

A few missed baskets, good play by our opponents and some missed interceptions led to quarters 1 and 4 being quite tough.

The other quarters, especially 2, when we got to within 4 points, showed that if we could develop some consistency that we would be a handful for anyone.

However, it must be said the right team won. SJB 48 Collingwood 28

**Squad (points in brackets):** Oliver Barham (2), Zach Panayiodou (3), Thomas Lee, Jayden Chan, Filip Kuta (10), Harry Lincoln (5), Danny Feldwick-Bonner (8)

We are likely to play a few friendlies in the Summer term so all welcome at training (dates TBC) which will determine selection.

### Under 16 Girls Reach Quarter Finals of National Cup!

Congratulations to the Girls U/16 football team on reaching the next round of the National Cup after beating Redborne School from Bedford 3-0 on Monday. They progress through to the quarter finals of the national competition for only the second time in the College's history. We now play Soham Village College from Cambridgeshire in the next round. Well done to all the team!

### Year 8 District Basketball Winners

Also, many congratulations to the Year 8 Girls' basketball team who **WON** the District basketball event. After the first tournament they were joint winners with Woking High School and were unbeaten in the second tournament. They won the whole event on baskets 'scored'. Well done to all the team!

### Super 7 and ID cards

Please can I ask parents and carers to check that students are coming into College equipped and '**ready to learn**' with their Super 7 and ID cards.

Recently we have seen more students arriving without the basic tools to navigate through the day and it is preventing staff from making prompt starts to lessons and causing conflict before a lesson has started. We have also noticed the queues in the canteen have increased because of the lack of ID cards and constant issues with students not being able to access buildings.

I would very much appreciate parental support on this matter.

### Open Mic Night in the Barossa Studio!

It was great to see so many parents, carers and staff supporting this excellent event! It was a really enjoyable evening last night which highlighted the many talents of our students. Don't forget to buy your College production tickets for 'Footloose' (see advert).

### Letter from Surrey Heath Police

Last week we circulated, via Edulink, a letter from Surrey Heath Police regarding Anti-Social Behaviour in Camberley Town Centre. The intent in doing this was to ensure that our parents were aware of the situation and that none of our students got caught up in events over the weekend either deliberately or inadvertently.

Parents and carers will be pleased to know that the weekend passed off peacefully and it would appear that few, if any, of our students were involved in the previous incident that led to this order being put in place.

Please note that the police are continuing to closely monitor the situation to ensure the town centre remains a peaceful and trouble-free environment.

### CCFA (Collingwood College Friends Association)

Finally, I am delighted to say that the CCFA is gathering momentum, and we have a number of events in the pipeline. For your diaries we have a coffee morning on World Book Day (**Thursday 6 March at 9.00am**) for all parents and carers to attend to share their passion for reading and meet senior staff, SENCO and myself. We are also planning a quiz night and an Easter bingo event for students during the next half term. Look out for posters advertising these exciting forthcoming events!

### INSET Day

A reminder we have an INSET day on Monday 24 February and all students return to College on Tuesday 25 February.

I hope you all have a wonderful half term and that the weather improves for us all!

*Miss Watling - Principal*

## YEAR 9 STUDENTS SHOWCASE THEIR BREAD-MAKING SKILLS

I have been so impressed with our Year 9 students who have demonstrated their practical skills by preparing Focaccia bread. They have shown creativity, dedication and a strong grasp of kneading, shaping and decorating.

Well done to all students for such excellent execution!

*Mrs Adya - Design and Technology Department*

## YEAR 10 GIRLS BASKETBALL

The Year 10 girls' basketball team (which also included girls from Year 9) travelled to Bishop David Brown school last week to take part in the second tournament of the year.

The team had done well in the last tournament and were looking forward to more success this time. The girls played some very competitive matches against teams from Woking High, Bishop David Brown and SJB.

They eventually finished in 3<sup>rd</sup> place overall which is a very good result considering the team was a mixture of Years 9 and 10 students.

The girls were a pleasure to take. The team consisted of Lucy Mallon, Maryam Syed, Blue Yu, Karla Hudson, Sophie Evans, Lily Bond and Miley Sweet.

*Mrs Daniel - PE Department*

# YEARS 7 AND 8 FOOD PREPARATION AND NUTRITION STUDENTS EXCEL IN ASSESSMENT

***It was impressive how well our Years 7 and 8 students carried out their Food Preparation and Nutrition assessment.***

They were confident and worked independently throughout the assessment. All dishes were executed to a very good standard and hygiene and safety were followed throughout. The students also demonstrated good technical skills during the assessment.

Well done to all Years 7 and 8 students for their hard work and for demonstrating College values - Achievement, Integrity and Perseverance.

*Mrs Adya - Design and Technology Department*

## HUMAN PAPILLOMA VIRUS (HPV) VACCINATION – 25 FEBRUARY AND 27 FEBRUARY

HPV is a single dose vaccine, offered to both girls and boys in Year 8. This will take place in College, week commencing 24 February. Evidence is clear that the HPV vaccine helps protect both boys and girls from HPV-related cancers.

If you have **not already done so** and you would like your child to receive this vaccine, please provide your consent **asap or by Wednesday 19 February 4.00pm at latest by visiting:**

# SIXTH FORM NEWS

The first half of the Spring term has seen a busy start to 2025 with BTEC exams and mock exams for Sixth Form students. It was great to be part of the college STEM day with McLaren as students had the opportunity to learn about the different career pathways available to them and to take pictures with the sports car that was parked outside the Sixth Form Centre.

The Post-18 Next Steps programme has been introduced to Year 12 students, starting with external guest speakers from Pathways and AWE talking to students about careers and apprenticeship opportunities. This programme will continue throughout the next half term and into summer as students start to make decisions about university, apprenticeships and employment.

## Sixth Form Admissions

The Y11 into Y12 interviews are well underway and it has been great getting to meet our new prospective students. If you would like to make a late application to Collingwood Sixth Form, please contact Mrs Boon, Sixth Form Student Services Manager by email: [l.boon@collingwood.surrey.sch.uk](mailto:l.boon@collingwood.surrey.sch.uk)

For more information on the Sixth Form and the subjects we have to offer, please scan the QR code to download a copy of the Sixth Form Information Booklet.

## THE NATIONAL APPRENTICESHIP SHOW LONDON & SE

SANDOWN PARK, SURREY

On Wednesday 12 February, we took some of our Y12 and Y13 students to the National Apprenticeship Show at Sandown Racecourse. This was a great opportunity for students who are not applying to university to talk with employers and organisations to get a better understanding of the apprenticeship, employment and training options available to them after Sixth Form.

Congratulations to Erin Govey-Gray who competed at the judo southern area British schools qualifier tournament on Monday 20 January. She fought amazingly and won Gold medal. The British schools championships is in March, where Erin will compete for Collingwood.

## Football Tournament

On Wednesday 12 February, in place of the Y12 v Y13 football match, the Sixth form played a mini 5 a-side tournament in the Sports Hall. They played 6 games and the tournament ended in a 7-7 tie between Team 1 and Team 4 however, Team 1 were declared the winners on goal difference.

## Seminar Programme - Spring Term (2)

26.02.25 - Y12 Next Steps  
 05.03.25 - Y13 Student Finance (UCAS)

## Important Reminders

### Visits to School Site by Appointment Only

*We would like to remind you that visits to the College site must be prearranged and approved through prior communication with College staff. This ensures the safety and security of all students and staff and allows us to manage our time and resources effectively. As we are sure you will understand, it is simply not possible for our staff to be immediately available as they have teaching, duty or meeting commitments.*

***Please do not come into College expecting to see a member of staff without an appointment as this will be a wasted journey for you and cause you lost time and unnecessary frustration. If you need to meet with a teacher, staff member or College leadership, please contact the College office to schedule an appointment.***

### 3-day Response to Parental Communications

*We would also like to remind you that we have a **72-hour response** period for staff to reply to parental communications. It is obviously unreasonable to expect immediate responses to emails or messages when staff have full teaching and meeting commitments. This protocol also allows us time to investigate your communication and to reply with a detailed response to you. In all cases, we would ask parents to use the **[tc@collingwood.surrey.sch.uk](mailto:tc@collingwood.surrey.sch.uk)** email address to ensure communication is directed to the correct member of staff and to ensure an appropriate reply is made within 72 hours.*

*I very much appreciate your understanding and co-operation in adhering to these procedures and thank you for your support in maintaining positive College-parent/carers relationships.*

# WORLD BOOK DAY®

**Thursday 6 March**  
**9:00 for 9:15 – 10:15am**

*Changing lives through a love of  
books and shared reading*

Parents, Carers & young  
siblings are invited to join us  
for coffee and a chat with  
the SENCO, senior teachers  
and other parents & carers

Bring in your preloved books

## SUCCESS STORIES

Jordan is Autistic and has Global Development Delay which means he may take a little longer to learn new tasks and develop the coordination skills needed to carry this out.

Jordan first gained his taste of the workplace when he was supported by Employability Services to undertake a Supported Internship as part of his final year at college.

Jordan's hard work was rewarded post college with the offer of paid employment, and this is where he still remains today.

All this was possible due to the very supportive nature of his managers who say "Jordan is still learning to be more socially interactive with customers and colleagues and able to do his selected tasks to a high standard as well as assess when something needs doing without prompts".

Jordan has shown a great sense of resilience since leaving college
