

YEAR 7 CELEBRATION ASSEMBLY

On Friday 14 October we had a small celebration assembly to recognise the amazing start that Year 7 have made here at Collingwood. Mrs Jones presented the award winners for the summer bookmark competition and Mrs Edwards presented the winners from the Geography summer work. I was delighted to hand over three £5 Amazon vouchers to the current highest Praise Point students in Year 7.

The highlight was being able to read out lots of positive comments I received from staff in the College about all the Year 7 classes and how well they've settled. Particular things mentioned were about their positive attitudes, politeness and friendliness towards peers and staff.

The race is now on for all Form groups for the first Mufti day on offer next Friday 21 October. The form with the most Praise Points by Wednesday 19 October will be awarded this for the last day of term!

Mr Andrews - Year 7 Year Manager

FEELING GOOD WEEK: 10–17 OCTOBER

This year during 'feeling good week' we embraced the positives in our lives to create a sense of pride, clarity and honour in our differences. Last week we celebrated the diversity within our community and reflected on what we should all be proud of.

Ms Collins and Ms Akbar set up 'Feeling Good Week' where staff members shared what they were proud of outside their classroom doors.

In addition to this, we delivered assemblies across all year groups, to share how we should all be proud of ourselves. Students were encouraged to consider what they were proud of, whether that be something that makes them different or for the small achievements they have made today.

A powerful video on 'Being an Introvert is my Superpower' was shown to all students, to show how stepping away from what is considered the 'norm', can be your 'superpower'.

At the end of each day, we invited students to complete their response to what they are proud of.

See here some of the responses from our students. A huge thank you to all the students who contributed their 'I am proud statements'.

Mrs Samuda and Mrs Vala

FROM THE LANGUAGES DEPARTMENT - EUROPEAN WEEK OF LANGUAGES EVENTS ...

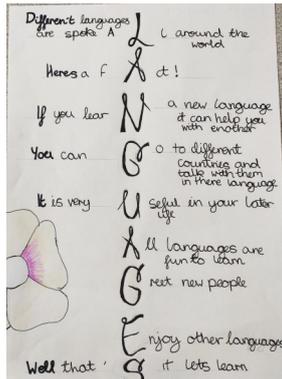

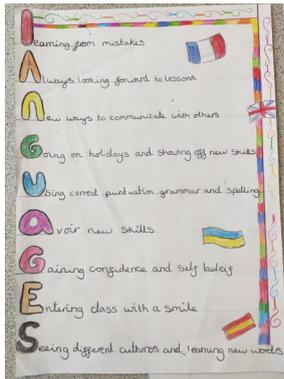

Tongue Twister Competition Winners

Congratulations to Joseph Conte (8B) and Howard Adeniran (9A) for winning the tongue twister competition for the European Week of Languages!!

Joseph attempted the hard French tongue twister and Howard the Spanish medium level, well done!

Acrostic Poem Competition Winners

We have been blown away by the creativity and talent of our Year 7 students creating an acrostic poem, so it has been very hard for us to decide on the winners. We would like to congratulate our three finalists: Josh Alford (7G), Sally Grove (7B) and Connor Barnett (7D).

Spanish Tapas Event

Last Wednesday 12 October the Languages Department hosted its first big event of the year - the Spanish Tapas Tasting and Information Afternoon. Several Years 7 and 8 students attended the event and we had a fantastic afternoon. Students tried out some typical food (tapas - small sharing portions of various delicious Spanish products) and learned where this food culture and tradition comes from.

Thanks to all the students who came along and we look forward to seeing more of you at our next big event!

"I learnt that Spanish food is the best! We ate Spanish themed food, rated it, and learnt all the ingredients. I enjoyed the chorizo and the sweet foods." Isabella H

Ms Castro-Iglesias - Languages Department

ENGLISH SCHOOLS X-COUNTRY COMPETITION

On Tuesday 11 October a selection of Collingwood students travelled to Stoke Park, Guildford for the first round of the English Schools X-Country Cup. As always these competitions are fiercely competitive and we always seem to be up against a high number of private schools. We entered two events, the Junior girls (Years 7 and 8) and the Junior boys (Years 7 and 8).

The girls competition was first, running a distance of 2.4 km. Stoke Park, as always, provided a very hilly run for the students but we were fortunate with some fantastic sunny weather for the occasion. All the girls ran incredibly well but a notable performance from Katie McBride brought her home in 4th place out of 90 runners. The boys race was next and again the standard was incredibly high. All boys ran very well and Eli Loveday came home highest for Collingwood in 20th place.

Girls Team: Katie McBride 8H, Alice Taylor 7F, Isabella Henry 7H and Ophelia Scott-Wilson 7G.
Boys Team: Cole Kleboe 8C, Oli Densley 8E, Finn Costello 8A, Noah Clifford 7G and Eli Loveday 7E

I was incredibly proud of all the students' efforts in their races and look forward to the next X-Country event at Lightwater on Tuesday 22 November.

Mr Andrews - Year Manager - Year 7 / PE Department

YEAR 7 BOYS' FOOTBALL TEAM ON A ROLL

The team's most recent game was played against Court Moor. It was a tough physical game, Collingwood had the better of the first half pulling ahead 1-0.

A superb second half display was helped by a solid defence that allowed the rest of the team to play with creativity and freedom.

Collingwood eventually ran out winners 6-1.

Man of the match was Leon Jessop (our Mr Utility, who had roles in defence, midfield and up front in this game).

Team: Christian Higgs, Leon Jessop (2), Harry Phillips, Eli Loveday, Freddie Hoare (1), Jacob Sturt (1), Adam Robson (1), Will Harris, Josh Mears, Aston Dempsey (1)

Our next match is against All Hallows.

Mr Sax Emeterio - Year 7 Football Manager / KS4 Progress Leader

Why Learn Languages?

Reason #7: Higher Education

In many fields (science, medicine, law, politics, journalism...), a reading knowledge of a foreign language is expected in order for scholars to conduct research and communicate with their foreign counterparts.

Foreign language courses are a requirement for many degrees.

On Friday 14 October, we took our GCSE & A-Level to *The Play That Goes Wrong* at London's Duchess Theatre. Students were treated to an evening of Mischief as the Cornley Polytechnic Drama Society attempted to put on a production the Murder at Haversham Manor. Students were fantastic at representing the college, behaving perfectly at the theatre and all had a brilliant time full of laughter. Students will now have the chance analyse and evaluate the show as a reviewer for their written exam.
