

YEAR 9 BOYS CROWNED DISTRICT CHAMPIONS!

The Year 9 boys' football team overcame a spirited Frogmore Community College to be crowned District Cup Champions.

Having navigated our way to the final, knocking out last year's winners and runners up, our expectations were higher going into this final against a strong Frogmore Community College side.

It was a gritty first 25 minutes with both teams coming close to opening the scoring. A string of saves from Josh Edwards kept us in the game whilst Alfie Moul's pace and skills were causing all sorts of problems for the opposition's defence. Up steps Dan Wearden, put through by a simple ball over the top. Dan was in full flow attacking the left back whereby he drew a tackle and skipped past before firing a shot low and hard down to the keeper's left putting Collingwood 1-0 up at half time.

SHINING A SPOTLIGHT ON INCLUSIVENESS!

This is the last of our Spotlight articles on our College values, and today I am shining the spotlight on Inclusiveness. Inclusiveness is the consequence of being Inclusive and we deliberately chose Inclusiveness to highlight our belief that the diversity of backgrounds, cultures and ideas strengthens our community – one in which everyone is treated with kindness, empathy and fairness.

During the last week of term we saw some fantastic examples of Inclusiveness and the one that stands out the most to me is that our Head Student, Sophie Cherry in Year 11, organised a visit from Emma Gilmour, McLaren's first ever female driver who came in and delivered an inspirational speech to our Year 7 students and then spent some time with our Status Racing team.

In terms of Inclusiveness, the idea that we were demonstrating how women can be successful in what is typically viewed as a male-dominated sport is obvious. That we also actively encourage participation from all groups of students in all our extra-curricular clubs and activities is also obvious and something that our student body were proud of.

DATES FOR YOUR DIARY - DON'T MISS OUT!

Wednesday 7 June: Sports Day, 5.00pm until 8.30pm, John Nike Athletics Stadium, Bracknell

Wednesday 14 June: Year 10 Taster Day

Saturday 24 June-

Sunday 25 June: DofE Bronze Practice Expedition, Surrey Hills

ATTENDANCE - LEAVE OF ABSENCE/ HOLIDAY REQUESTS

Just to remind parents/carers that if they take their children out of school without authority, they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

YEAR 8 HPV IMMUNISATIONS

This is a reminder that Year 8 students will receive their **HPV Dose 2** immunisation on Tuesday 12 or Wednesday 13 July 2023.

It is **not necessary** for parents/carers to complete another consent form for this 2nd dose **as the existing consent submitted for Dose 1 will be used.**

Catch-up vaccinations will be offered to those students still requiring Dose 1 HPV where there is an existing submitted consent form.

If a parent/carer previously consented and now wishes to withdraw, they should email:

cs.h.sur-schoolimmswest@nhs.net

Mrs Moody - Deputy Admin Manager

WATER BOTTLES

As the weather is now warming up, please could you remind your child to bring in a full water bottle which they can refill onsite during the College day. Many thanks.

Barossa and Kingston Reception

YEAR 9 BOYS CROWNED DISTRICT CHAMPIONS!

CONTINUED FROM PAGE 1

The team were fired up at half time, desperate to prove they were much the better side. An early run by Alfie, again probing the defence, saw him turn the opposition's right back and Alfie was in on goal at a tight angle which saw his shot saved and cleared. However, this clearance was picked up by Dylan Hosali who guided his shot past the keeper to make the score 2-0.

At this point we were flying, with further goals from set pieces by Max Walker and Dylan Hosali putting Collingwood into a commanding lead.

Frogmore did manage a consolation goal through a fine strike by their left winger.

Final score Collingwood 4, Frogmore 1.

Squad: Josh Edwards, Reece Barnett, Taylor Robson, Aidan Crane, Cavan Millham, Dan Wearden, Dan Crane, Dylan Hosali, Ryan Weston, Alfie Moulton, Chase Robinson, Thomas Praine, Finn Wedick, Harvey Butterfield, Jack Chandler

Many congratulations to the whole team. A fantastic achievement!

Daniel Wearden (part of this Year 9 Cup-winning side) also featured in the Surrey Schools county side this season. Daniel played at the Stoke City Stadium in the ESFA cup final the day after lifting the Cup for Collingwood. However, despite his and the county team's best efforts they were not able to find a way past a strong and determined Northumberland side.

However, this set back did not deter Daniel and the Surrey side from bouncing back from this loss with a 6-1 win against Sussex in the South East England County Cup Final a few days later - which also saw Daniel grab a goal.

We are all extremely proud of what Daniel has accomplished so far.

Mr Jarmyn - Year 9 Football Manager/Year Manager

SHINING A SPOTLIGHT ON INCLUSIVENESS!

CONTINUED FROM PAGE 1

But actually, what impressed me the most, and what I feel demonstrated inclusiveness, was the fact that this was the brainchild of a student who organised and planned the whole event! It truly represented what makes us such a fantastic community to belong to - that a student felt confident enough to do this and was given the autonomy to make this happen, is truly remarkable. Well done Sophie!

Finally, as with the last few weeks, staff have been sending me the names of students who they think have demonstrated inclusiveness. I have picked a small selection.

Mrs Wright - Head of Lower College

Nominated by Dr Sinclair

Dylan Allpress - Yr 9
Lewis Phillips - Yr 7

Both boys are so caring of their peers and always willing to aid and make sure everyone is comfortable and happy. Absolute gentlemen!

Nominated by Mrs Crawford

Arsen Popadynets - Yr 7

Arsen is from the Ukraine, and from the day he started, he has always embraced every lesson and worked so hard. He has always attempted to read the English words and then taught me the Ukrainian equivalent. Where other students struggle more to understand, Arsen will always explain things to them. Arsen is just a superstar!

FORMER STUDENTS RECEIVE GOLD DOFE AWARD AT THE PALACE!

On Friday 19 May 2023 six former Collingwood students (listed below) attended the Gold Award Buckingham Palace Garden Party celebrations accompanied by myself (Mrs Magness) and their proud parents.

The event honoured the extraordinary accomplishments of young individuals who successfully completed the challenging requirements of the Gold Award, showcasing their resilience, leadership and commitment to personal development:

- ♦ Mia Jones – currently working for the Animal and Plant Health Agency in Addlestone
- ♦ Megan Jones - currently completing a Veterinary degree at Staffordshire University
- ♦ Tate Willing – currently completing her Teach First Qualification in Maths at Liverpool
- ♦ Tom Perkin – currently studying Engineering at Swansea University
- ♦ Shree Singh – currently studying for her Law degree at Chichester University
- ♦ Jessie Whitehead – currently completing her Physical Geography degree at Aberystwyth University.

The day began with tea and cake in Buckingham Palace gardens whilst listening to well-known, upbeat tunes played by the bands of 'His Majesty's Royal Marines Collingwood' and the 'British Army Sandhurst'. There were plenty of opportunities to take photographs in and around the gardens too!

At 11.00am HRH Prince Edward Duke of Edinburgh gave a speech to congratulate all awardees, before handing over the stage to a Gold Awardee, Lyndon Howson, who spoke about how his completion of the Gold Award had helped to give him something to focus on during a worrying time in his life fighting cancer. Jill Scott, MBE (former England professional football player) finished the speeches with some truly inspiring words of encouragement and motivation for the young people in attendance.

After the speeches, a 'meet and greet' opportunity took place where the Duke of Edinburgh spoke to and congratulated as many awardees as possible whilst Jill Scott kindly obliged to the many requests for 'selfies!' There was also an opportunity to listen to many other inspirational speakers who occupied the satellite stages positioned around the palace gardens. These included Charlie Boorman, Dwayne Fields, Sally Orange, Susannah Townsend, Katherine Kelly and John Simpson, CBE.

FORMER STUDENTS RECEIVE GOLD DOFE AWARD AT THE PALACE!

CONTINUED FROM PAGE 4

The day marked the pinnacle of the young people's journey, an achievement that will undoubtedly open doors to new opportunities and inspire others to embrace their own challenges. The event not only celebrated the accomplishments of the award recipients, but also highlighted the importance of programmes that encourage young individuals to push their boundaries, strive for excellence and become future leaders who will shape the world.

Collingwood College looks forward to supporting many more young people through the Bronze, Silver and Gold levels of the Duke of Edinburgh Award over the years to come, and hopes as many young people as possible decide to take on the challenge!

Mrs Magness - DofE Co-ordinator / Head of Geography Department

EXAM CERTIFICATES

Exam certificate postage payment is available on ParentPay. Please ensure payment is made as soon as possible to ensure your child receives their exam certificates for the Summer 2023 season. This is of particular importance for those students in Years 11 and 13 who are leaving the College.

To avoid certificates being lost in transit or left crumpled at the bottom of a school bag, we encourage payment to be made for Years 9 and 10 too.

For those that make payment for postage, exam certificates are usually despatched in December using Royal Mail's 'Signed For' service.

Certificates will be required by future employers and further education institutes. If you don't have your certificates when you need them in later life, the exam boards can provide a replacement statement of results but it is very costly.

Collingwood Exams Team

DOES YOUR CHILD SUFFER FROM HAY FEVER?

We are beginning to see more students coming to first aid suffering with Hay Fever.

Please Note, we do not supply antihistamines in College.

If your child suffers from Hay Fever, please can you ensure that they take their medication before coming to College. We can, however, hold your child's own medication in College. Please hand in to Barossa or Kingston reception along with a completed Parental Agreement to Administer Medication form, which can be found on Edulink – Noticeboard – Forms. Thank you.

CELEBRATING COLLINGWOOD'S DANCING TALENT

On Sunday 30 April I had the privilege of watching many Collingwood students shine in their CBC dance show. The show was made up of ballet, tap, contemporary, as well as a very impressive acrobatics team which wowed audiences for all three shows.

With a range of different styles, the dance show depicted the story of Sleeping Beauty with Young Aurora played by Amy O'Donnell (Year 8) and Carabosse played by ex-student Liv Wood. Rosie Quirk (Year 10), Lyla Bishop (Year 9), and Caitlin Miles (Year 11) impressed all with their classical ballet performance in pointe shoes as fairies of joy, temperament, and musicality; as well as Sydney Thomas (Year 7) bringing lots of character to Puss in Boots.

The performances were incredible, along with the costumes, with many dancers having more than five costume changes in the show! It was brilliant to see all our students shine and well done to everyone involved: Amy Medhurst, Amy O'Donnell, Caitlin Miles, Cerys Wilkinson-Ingram, Ellie Hamilton, Freya Taylor, Catherine Peacock, Lyla Bishop, Maddison Shannon, Molly Savill, Rosie Quirk, Sydney Thomas

A big thank you to Ellie for her amazing proshots!

Miss Taylor - Form Tutor 8C and Maths Department

FREE AND CONFIDENTIAL LIVE CHAT WITH A PARENTING COACH

Parents can receive 1:1 support from Action for Children:

https://parents.actionforchildren.org.uk/chat/?src=hp_narrow_widget

Please find hours when 'Action for Children' representatives are available here ...

We're here to talk to parents and carers based in the UK:

- 9.30am – 4.30pm Wednesday
- 12.30pm – 7.30pm Thursday
- 9.30am – 4pm Friday

EMMA GILMOUR VISITS COLLINGWOOD COLLEGE

On Monday 22 May we were delighted that Emma Gilmour visited Collingwood College. Emma is McLaren's first ever female driver and she gave an inspirational talk to our Year 7 students and the Status

Racing team about her journey so far and her career to date which resonated with our students as it linked to our values of Aspiration, Perseverance, Inclusiveness, Integrity and Achievement.

This was followed by a 15-minute question and answer session before Emma visited our Technology Department and spent time with the Status Racing team who were able to showcase their cars and discuss the amazing progress that they have made over the years.

It really was an inspirational visit and special thanks to Head Student, Sophie Cherry who organised the event ...

I was fortunate to meet Emma Gilmour at the Goodwood Festival of Speed in June last year. I was so inspired by the conversation we had, I decided to send her a message to see if it would be possible for her to make a future visit to Collingwood, to talk about her motorsport career and her experience at being McLaren's first ever female driver.

I was delighted when Emma replied - she introduced me to Georgina in the marketing team at McLaren and after numerous emails between Emma, Georgina and myself over the last 10 months, we managed to find a convenient

time for Emma to visit the College. It was wonderful that Emma was able to come in and speak to our students about her journey and answer all of the questions our students asked her. It was an inspirational visit and something I am very proud to have been involved in. Sophie Cherry - Head Student

Believe Succeed!

Mr Chaaban - Senior Assistant Principal

DEBATING NEWS ...

Before the half term break, Jonathan Quin, ex-student, visited Collingwood's Debating Society. Jon debated for Collingwood during his time at the school and was one of our first debaters when the club started.

Jon talked to our debaters about how learning the skill of debating had assisted him in his journey after school, from studying the rigorous degree of Politics, Philosophy and Economics at Oxford University, to now being elected as a local councillor for Surrey Heath.

Jon answered questions from our debaters and then participated in a debate with them - the motion was 'This House Would abolish Private Schools', which was very engaging and entertaining, with our debaters voting for the motion to pass. Jon was impressed with the standard of our debating, and it was great to see the next generation of Collingwood debaters being inspired.

Ellie Bear - Year 12 Student

Why Learn Languages?

Reason #11: Give your Brain a Boost

Learning a second language has been proven to improve memory, increase the attention span, and reduce the risk of age-related cognitive decline such as dementia.

Speaking more than one language increases your brain capacity.

© Linguascope

LOST PROPERTY

Has your child lost their coat, sweatshirt, PE kit or other item of College uniform?

If so, please ask them to check the lost property table in Barossa and Kingston Reception. There are many items that are either un-named or the name cannot be read. Parents are welcome to come and check too! Please can we take this opportunity to remind you to clearly name all items your child brings into College. Thank you.

Celebrating Art

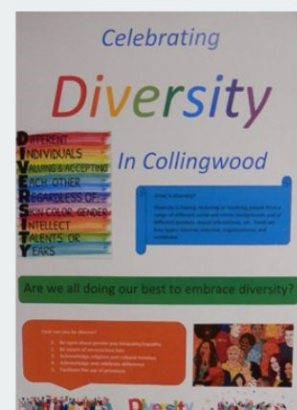

This week we are celebrating Art. Students have been painting and colouring the Mona Lisa, Sleeping Gypsy and American Gothic. Here are a few of the pieces of art that our students have created.

PRIDE MONTH

Furthermore, we are celebrating Diversity and Pride month with displays. These include the history of LGBTQ+ rights, portraits of pride celebrities and information on how Collingwood College supports the LGBTQ+ community.

Various drawing activities and word searches are available to students.

Can you please encourage your son/daughter to return any overdue library books/DVDs as soon as possible to avoid possible behaviour points. If you have any issues, please email: s.blay@collingwood.surrey.sch.uk
