

## GREAT RESULTS AT CROSS-COUNTRY COMPETITION

***On Friday 13 October we took 21 students to compete in the 1<sup>st</sup> round of the English Schools Cross-Country event at Tiffin School, Kingston.***

As always the competition was incredibly strong as we were competing against mainly private schools. Despite a very bleak start to the day we were blessed with lovely sunny weather upon our arrival which made for perfect running conditions.

## STUDENTS SHOW MUSICAL TALENTS IN YEAR 7 ASSEMBLIES

Since the start of term, we have welcomed students into Year 7 assemblies to play musical instruments, showing off their tremendous talent. We have welcomed:

- ◆ Lauryn Thue-Tun (10G) - Piano
- ◆ Omar Tsia (8C) - Piano
- ◆ Freya Moran (11I) - French Horn
- ◆ Arran Baillie (8F) - Saxophone
- ◆ Christal Hazelle Dela Cruz (8H) - Piano

All the above currently take private music lessons; some at Collingwood College.

This calm approach to assemblies has a welcoming impact on Year 7 students and provides opportunities for students in our younger years to aspire for great achievement. Staff and students alike have thoroughly enjoyed seeing the talent shown and the Year 7s have been a very supportive audience.

We will be continuing to do this next half-term so if your son/daughter would like to share their musical talent, please ask them to see Mrs Truglio. This is a fantastic opportunity for students to prepare for their music lessons, graded exams, or just get invaluable performance experience. Thank you to those who have taken part so far, and we look forward to including even more musicians in assemblies.

## YOUTUBE CHANNEL TO SUPPORT STUDENTS' SCIENCE KNOWLEDGE

Is your child struggling to engage or revise for their Science Assessment in Years 7 and 8 (KS3) or in Years 9-11 (GCSE)?

Do you think they have gaps in knowledge? - then they would benefit from **SUBSCRIBING** to **YOUTUBE channel PURE SCIENCE EDUCATION** to support them.

The channel has been created for Collingwood students for the above purpose and students using the site regularly are increasing their grades. They will also automatically receive 1 **FREE video** a week, if they subscribe.

## ATTENDANCE - LEAVE OF ABSENCE/ HOLIDAY REQUESTS

Just to remind parents/carers that if they take their children out of school without authority, they will be liable to receive a penalty notice. Currently the amount payable under a penalty notice is £60.00 per parent/carer per child if paid within 21 days. Thereafter the amount increases to £120.00 if paid between 21 and 28 days. If the penalty notice remains unpaid after 28 days, the Local Authority will consider a prosecution in the Magistrates Court. Please note that penalty notices are issued per parent/carer per child so a family of two parents and two children will receive 4 penalty notices.

## STUDENTS TRAVELLING HOME IN PE KIT

Dear Parent/Carer

As another strand to our No Learning Wasted Strategy, we would like to trial students who have PE Period 5, to travel home in their PE kit. This enables us to extend the PE lesson to shortly before the bell, maximising teaching time.

Obviously, in the interests of hygiene and also our transport providers, should students be wet and/or muddy they will still be asked to change back into normal uniform prior to departing at the end of the day.

This decision will be made by the class teacher on the day and is expected to be adhered to by all students in the lesson. In effect, everyone changes back into normal uniform or everyone travels home in their PE kit.

Please note that no student should arrive to College in their PE kit. This only impacts on the end of the day.

**All students should arrive to College in their normal uniform.**

*Mr Cleary - Acting Head of Upper College*

## MANDATORY FOOTBALL BOOTS

Dear Parent/Carer

We just wanted to touch base regarding the recent decision to make football boots mandatory, referring to the letter we sent out back in June 2023. We would like to thank the vast numbers of you that have included football boots as part of your son/daughter's PE kit; it is contributing towards a very positive culture for outdoor PE and you are supporting us teach our young PE students in appropriate footwear for different circumstances in PE, Sport and Fitness. This is having a huge impact on the quality of teaching and learning for activities like football and rugby, and we are delighted as a department to see students enjoying the benefits. The quality of work taking place with exam classes is much improved too.

As outlined in the letter, Collingwood College actively seeks to recognise the cost of living crisis that we find ourselves facing. Further to this, we as a department have consulted with other PE departments in the district and we are confident that we are moving towards a model that is in line with other schools in the area. Outdoor activities such as football and rugby will continue, even in rainy weather, and therefore it is imperative that all students are in suitable football boots. We have a small supply of boots that students can borrow if needed. Some year groups may experience a longer wait for their football or rugby block due to activity rotations and some year groups may experience more outdoor activity than others due to the curriculum offer and staffing. We can reassure you that the football boots you have purchased will be used and if you have any further questions or concerns please do not hesitate to contact me.

*Mr Beer - Head of PE Department*

# ASPIRATION AND PERSEVERANCE VALUES

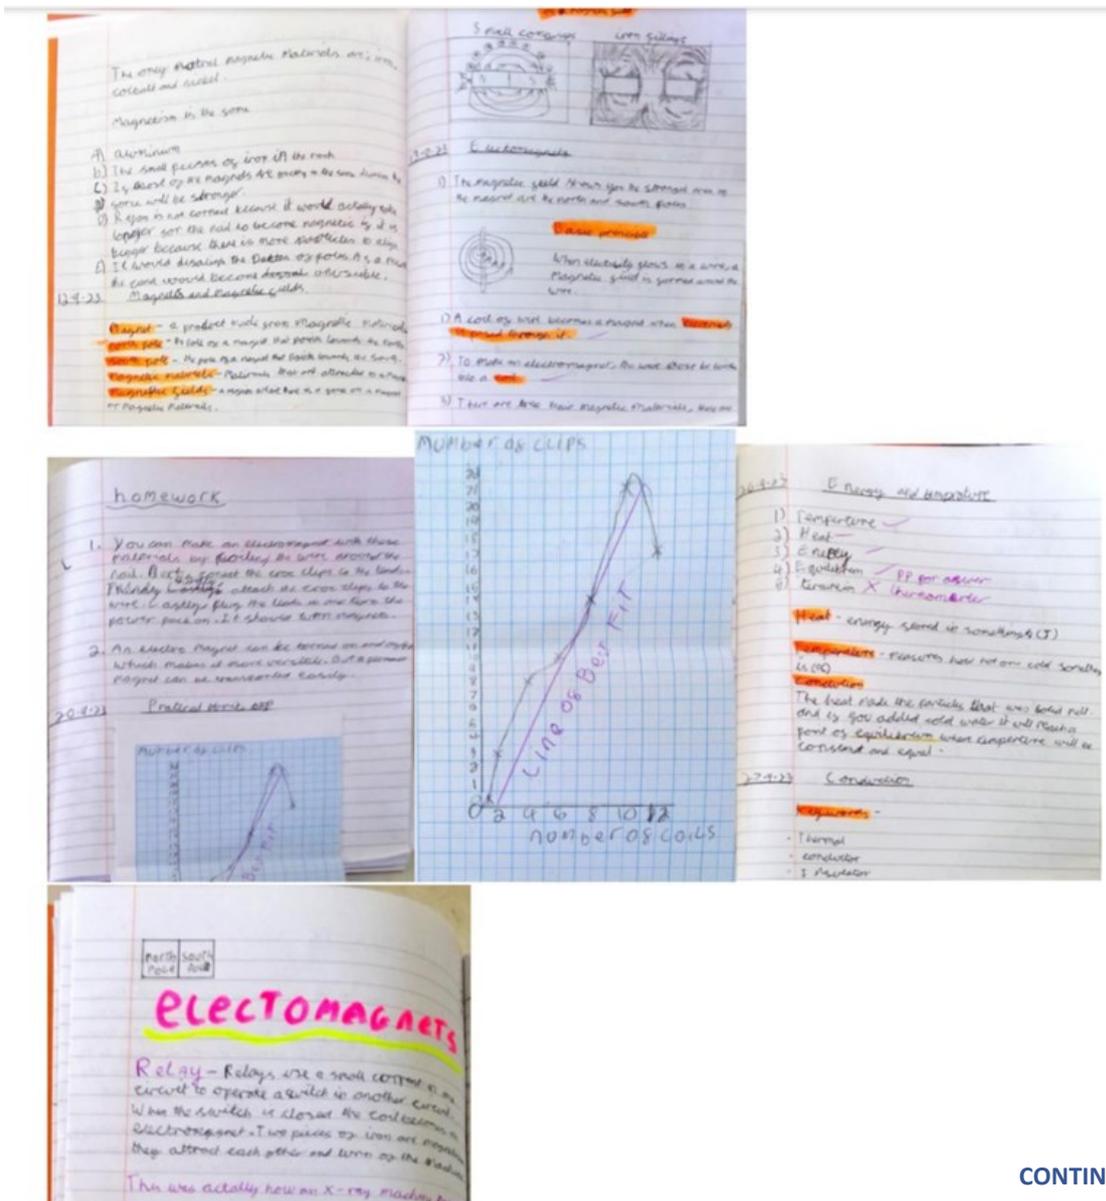

## Maths

Aspiration and Perseverance values were shown in Maths recently by Year 8 students in their Sparx home learning. The following students always complete their work and watch videos to ensure full understanding of concepts:

- ◆ Archie Neal
- ◆ Dylan Roden
- ◆ Omar Tsia
- ◆ Issy Sperling
- ◆ Will Harris
- ◆ Arran Baillie

## Science

**Hannah Aldous (8E)** has really impressed Dr Kaur with her curiosity and enthusiasm in class. Dr Kaur says, *"Hannah enjoys learning and always aspires to do her very best in our lessons"*.

# ASPIRATION AND PERSEVERANCE VALUES

CONTINUED FROM PAGE 7

**Dechen Sherpa Lama (8C)** in Mrs Oshilaja's class showed aspiration and perseverance with her learning. Students are learning to complete full write-ups of investigations and this is her very first attempt and then an improved version in her book.

## Citizenship

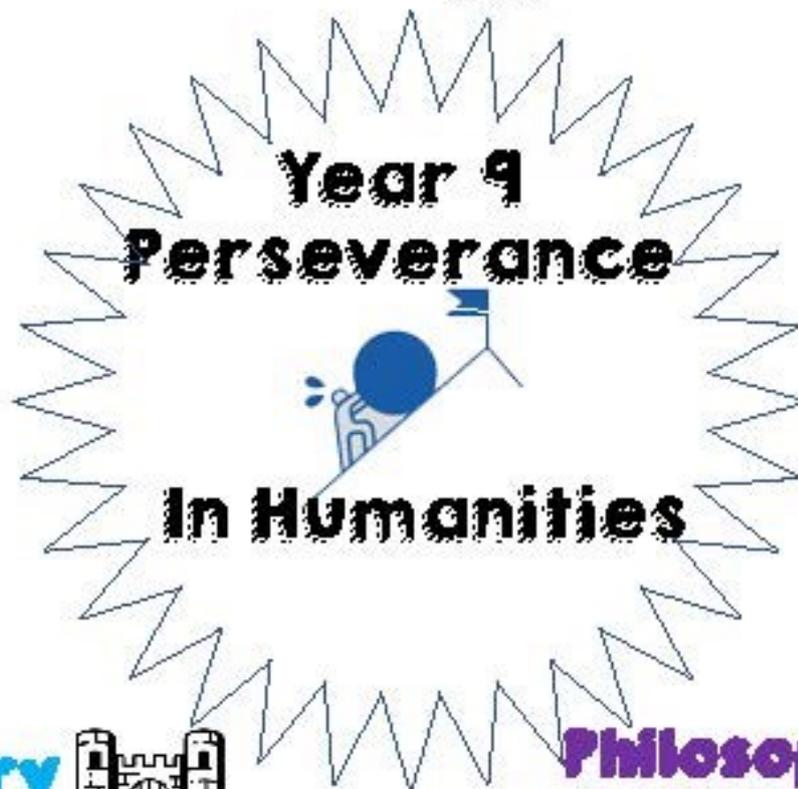

Year 9 students have been learning about where political power resides in the UK. This has been a particular challenge because of the various institutions and the historical relationship between them. Connor C, Dylan M, Toby W and Jake G has shown perseverance in grasping the key concepts linked to this topic.

## Geography

Year 9 students have been learning about the features of river drainage basins, how water moves through it as well as learning about the different processes which occur in rivers and how they create specific landforms. This topic requires students to get a firm grasp of a range of new vocabulary. Freya S, Beth W, Daniel P, Pratik G, Danny G, Gracie F, Ida C, Finn B and Eden J have shown perseverance in terms of understanding these concepts and key words.

## History

Year 9 students have persevered with getting to grips with some of the very strange and illogical beliefs of the medieval period about health and medicine. They realised the influence of superstition and religion. They have been developing their understanding of the theory of the Four Humours and why medieval physicians studied the colour of urine (smelt and tasted it!) Hannah P has shown perseverance towards this topic.

## Philosophy, Religion & Culture

Year 9 students have been making a start to their GCSE Religious Studies course. They have been demonstrating perseverance by studying challenging concepts and diverging views on marriage, family and gender equality. Students have been excellent at navigating these controversial topics in a sensitive and inclusive manner. James W, Grace B, Riley McW, Awa D and Lacey W have shown particular maturity within this unit.

more...

A LOT OF EXCITING EVENTS HAVE BEEN HAPPENING THIS HALF TERM FOR LITERACY!

## The Reading Project Years 7-9

Students have started reading their text (either fiction or non-fiction) in their Literacy slots during tutor time. Literacy slots occur twice a week and students and tutors read aloud their text. See below for the different texts which are being read during form time:

Well done to the winners of the Roald Dahl competition of designing their own 'Charlie'

# BOOKMARK COMPETITION

**Well done to our three winners from Year 7!**

**Designing a bookmark was set over the summer holidays and I was impressed by the number of entries.**

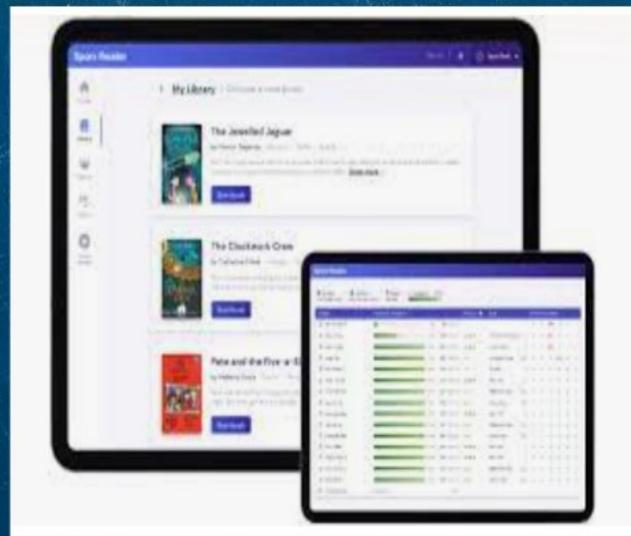

**As pictured: Cerys Bell from 7J (1st place), Olivia Carrodus from 7I (2nd place), and Taylor Pluess from 7G (3rd place).**

**Cerys Bell's bookmark will be printed and distributed to Year 7 to use during their Literacy slots in form time.**

Every Year 7 and 8 student will have a Sparx Reader lesson once every fortnight.

Sparx Reader allows students to work through their personalised reading book, comprehension and vocabulary questions.

# SPARX READER

Students collect Sparx points each week and teachers can track their progress.

Students log in details for Sparx Reader is the same as for Sparx Maths.

# ROALD DAHL DAY WEDNESDAY 13TH SEPTEMBER

The Library hosted a number of competitions including 'Invent A Chocolate Bar' which was inspired by Roald Dahl's 'Charlie and the Chocolate Factory'. See below for the amazing designs students entered:

Well done to our winners below.  
Praise points have been added!
