

What is the Bursary Fund?

The 16 to 19 Bursary Fund provides financial support to help students overcome specific financial barriers to participation so they can remain in education.

There are 2 types of 16 to 19 bursaries:

- bursaries for defined vulnerable groups of up to £1,200 a year
- discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment

Bursary Conditions

Receipt of a bursary is conditional on the student meeting agreed targets set by Collingwood as detailed in the Bursary Agreement and in the Sixth Form Policies and Procedures booklet. This covers for example, 90% attendance, compliance with absence procedures, standards of behaviour and learning outcomes.

The amount of each award will be assessed and disbursed on an individual, case by case basis as detailed in the individual's application form. This is dependent on the funding available and the number of eligible students.

The College will offer bursaries in the form of non-cash "in kind" payments where appropriate, such as books and equipment, travel passes, attendance on course related school trips etc. Any equipment purchased by the College for use by an individual learner remains the property of the College and must be returned upon completion of or withdrawal from the course.

Successful applicants

Unsuccessful applicants

If an application is unsuccessful, students will be told in writing. All students have a right to appeal against any decision made. Appeals must be made in writing to Mr Tanner, Co-Principal within 10 working days of receiving their email of notification. If required, a meeting will be arranged with the Appeals Panel where the claim will be reassessed and the student informed of the decision in writing within 10 days of the Panel meeting.
