BTEC Sport National

Collingwood College
Sixth Form

Introduction

Your BTEC Nationals in Sport provide you with a wide range of qualification sizes to choose from. Each has a clear purpose and is designed to ensure progression to higher education or into employment.

The requirements for this course are 5 GCSEs at Grade 9 - 4 (or equivalent). However, this is a very literacy heavy subject and students that pass have a 4 in GCSE English. Therefore, students that achieve below a 4 may very much struggle to pass this course.

The BTEC National Extended Certificate is equivalent to 1 A Level. The BTEC National Foundation Diploma is equivalent to 1.5 A Levels. The BTEC National Diploma in Sport is equivalent to 2 A Levels. Extended Diploma in Sport is the equivalent size to 3 A levels.

The BTEC National is a practical, work related course. You learn by completing projects and assignments that are based on realistic workplace situations, activities and demands. As well as learning about the employment area you have chosen, you develop the skills you need to start a career.

How the qualification works

Extended Certificate (360 GLH)	Foundation Diploma (540 GLH)
Equivalent in size to 1 A-level	Equivalent in size to 1.5 A-levels
Applied General*	Applied General*

1 OPTIONAL UNIT	4. Sports Leadership (60 GLH)
	3 OPTIONAL UNITS

First teaching: September 2016

First teaching: September 2016

The new BTEC sport specification now has a unit as an exam and a mandatory unit that is sent to an examiner. Additionally, three units must be taken along with three other units that the teacher can choose.

The total number of units is 4. The aim of the course is to provide a coherent introduction to the study of the sport sector as part of a two-year programme, normally in conjunction with one or more qualifications at level 3.

Progression is to higher education as part of a study programme which includes other vocational or general subjects.

Optional unit choices:

- Sports Leadership
- Application of Fitness Testing
- Sports Psychology
- Practical Sports Performance
